

## LAURION ANNOUNCES ENGAGEMENT OF MARKET MAKER

THIS NEWS RELEASE IS INTENDED FOR DISTRIBUTION IN CANADA ONLY AND IS NOT INTENDED FOR DISTRIBUTION TO UNITED STATES NEWSWIRE SERVICES OR DISSEMINATION IN THE UNITED STATES.

**TORONTO, ONTARIO - (September 3, 2019) – Laurion Mineral Exploration Inc. (TSX.V: LME and OTC/PINK: LMEFF) (“LAURION” or the “Corporation”)** today announced that it has, subject to regulatory approval, retained Integral Wealth Securities Limited (“**Integral**”) to provide market-making services for the purposes of maintaining an orderly trading market and improving the liquidity of the Corporation’s common shares.

The market-making service will be undertaken by Integral in compliance with the applicable policies of the TSX Venture Exchange and other applicable laws. Under the terms of their engagement, Integral will receive a monthly cash fee. Integral will not receive shares or options as compensation. The agreement will have a minimum term of 12 months. Following the 12-month anniversary of the agreement, LAURION may terminate the agreement on 30 days’ notice.

The Corporation and Integral act at arm’s length, and Integral has no present direct or indirect interest in the Corporation or its securities. The fee paid by the Corporation to Integral is for services only. The capital and securities required for any trades undertaken by Integral as principal will be provided by Integral.

Integral is a national, independent investment dealer that provides private and public issuers with investment banking services, institutional investors and public issuers with capital markets services and affluent individuals with wealth management services. Integral is a member of the Investment Industry Regulatory Organization of Canada (IIROC) and can access all Canadian Stock Exchange and Alternative Trading Systems. Founded in 2003, the firm has established capabilities in market making, energy banking and private debt / equity.

*“Integral is a well-established market maker in Canadian public markets and we are most pleased to have retained their services to maintain an orderly market, enhance liquidity and provide market intelligence,”* said Cynthia Le Sueur-Aquin, President and Chief Executive Officer of the Corporation.

## **About LAURION**

The Corporation is a junior mineral exploration and development company listed on the TSX-V under the symbol LME and on the OTC/PINK under the symbol LMEFF. LAURION now has 158,756,424 outstanding shares of which 60.8% are owned and controlled by Insiders who are eligible investors under the "Friends and Family" categories.

LAURION's emphasis is on the development of its flagship project, the 100% owned mid-stage 44 km<sup>2</sup> Ishkoday Project, and its gold-silver and gold-rich polymetallic mineralization with a significant upside potential. The Ishkoday Project has a project-wide database (2008 to 2018) that includes 283 diamond drill holes totaling 40,729 m, geological mapping, ground geophysics, and 14,992 individual samples with assays and geochemical analysis. The mineralization on the Ishkoday is open at depth beyond the current core-drilling limit of -200 m from surface, based on the historical mining to a -685 m depth, as evidenced in the past producing Sturgeon River Mine.
